

IAD – Washington Dulles International Airport

Purple Lot Reconstruction November 4, 2024, through December 31, 2024

On or about November 4, 2024, reconstruction of the Purple Parking Lot will begin. Arthur Construction will conduct the repaving of the parking lot in three phases which will run through December 31, 2024, approximately. The schedule is weather dependent.

- Phase 1: Anticipated to be complete by November 28, 2024.
- Phases 2 and 3: Will follow November 28, 2024, and continue through December.

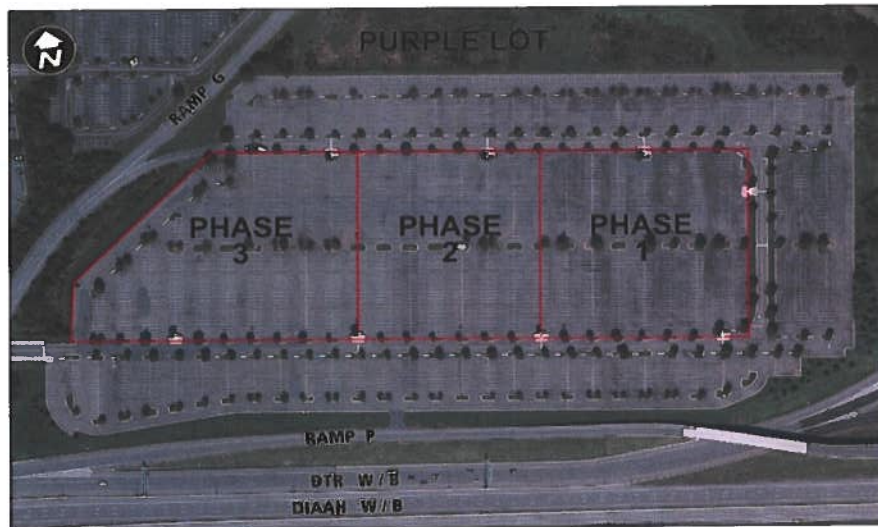

Parking spaces in construction areas will be blocked during work; however, ample parking will remain available throughout the duration of the project.

Employee Parking Restrictions

- Starting November 4, 2024, parking spaces in Phase 1 construction area will be closed.
- From November 28, 2024, through December 25, 2024, parking spaces in Phase 2 and 3 construction areas will be closed.

Vehicles left in construction zones will be relocated to the north side of the Purple Parking Lot.

If you have any questions or need more information, please contact Sam Lim, Project Manager, at 703-380-7891.

Please ensure that your employees are aware of this activity.
